

Andy Strum Memorial Scholarship

New City Little League and American Business are offering a \$250 scholarship to two Clarkstown North or South High School seniors who played three Spring seasons of youth baseball or softball with New City Little League, to help defray some of the costs of attending college.

This scholarship is being funded by American Business, in memory of Andrew Strum, a long time New City Little League volunteer who dedicated countless hours coaching youth baseball and softball before his untimely passing in 2015.

The scholarships will be awarded based upon the following:

- (1) Recipient must have played a **minimum of three spring seasons** in New City Little League's baseball or softball program
- (2) An essay explaining how your participation in New City Little League has benefitted you or prepared you for life, and why you believe you deserve a scholarship (250 word limit). This essay is to be typed and attached to this application.
- (3) Coach's recommendation (see Application)

Return your essay and completed application to Director of Guidance, Clarkstown High School North or Clarkstown High School South, no later than March 1, 2018.

Both scholarship recipients will be notified in early April and will be asked to accept their award in person at New City Little League's 2018 Opening Day Ceremonies on Saturday morning, April 14, 2018.

Children of former or current Board members are not eligible for this scholarship.
